In spite of repeated advertisements in the Dailies inviting applications from qualified L.T., teachers for the vacancies existing in the Municipal Muslim high school, there has been no response and even graduate teachers are also not available for appointment. Consequently the Institution is suffering a lot for want of a mathematics L.T.,

Even transferring of one or two qualified people of the Municipal high school has not solved the difficulty as the resulting vacancies had to kept vacant for want of suitable hands. Just to alieviate this problem to a little extent and to have the vi form students of the Municipal Muslim high school regular mathematics work one Mr. K. SUBJECT: EDUCATION - Secondary - Bellary Municipality - Deputation of a teacher of the Municipal High School, Bellary to do additional work in the Municipal Muslim High School, Bellary - Payment of remuneration - Requested.

R E F: Letter RC.No. G2. 7763/50 dated 10-11-1950 of the Municipal Commissioner, Bellary.

SUBMITTED.

2. It does not appear desirable to encourage such proposals, as there is dearth of L.T. Assistants in almost all the Districts and deputations of the kind will lead to complications with regard to the personnel to be deputed and the amount of remuneration to be given to them.

3. In the present case, the L.T. Assistant has been asked to take up additional work and it is but fair to give him some remuneration. The remuneration of Rs.48/- proposed.....

proposed to be paid to him does not appear to be too much considering that he was doing additionally 1/3 of the number of periods of his legitimate work and the additional remuneration bears the same proportion to his salary.

The payment of the allowance may be sanctioned as a special case.

Education-Secondary-Bellary Municipality-Deputation of a teacher of the Municipal High School, Bellary for addl. work in the Municipal Muslim High School, Bellary- Payment of remuneration.

Due to dearth of Mathematics L.T. Assistants, the Commr., Bellary Mlty., deputed Sri K.Sankariah, Mathematics L.T.Assistant, Municipal High School, Bellary, to take up additional work of teaching Mathematics to VI Form pupils in the Municipal Muslim High School, Bellary, and requests sanction for the payment of an allowance of Rs 48/- p.m. to the teacher for the extra work with effect from 21/9/50, the date of his deputation for the addl. work.

The D.P.I is not generally in favour of such proposals. Attention is invited to the orders in G.O.No. 3306 Edn. D/ 13/12/50 wherein similar permission was refused in the case of deputation of the Headmaster, Board High School, Tiruthangal to the High School, Rajapalayam. As the L.T. Assistant has been asked to take up the addl. work, the Director however, considers it fair to give the teacher some remuneration and has accordingly recommended payment of the allowance, as a special case. The arrangement will presumably have to be continued till the end of the current school year (1950-51 : Orders whether) The Director's recommendation for the payment of remuneration to the L.T.Assistant may be approved. Subject to orders a draft order is submitted for approval.
